CURIOUS

1. CURIOUS

I wonder if there is more than just this world. Something in me believes there is more. I wonder if God's Word is true. I want to hear what it says. Maybe it is real. I think I'll look into it.

HOPE

2. POSSIBLE

I've heard God's Word and I think it might be true. I've heard all things are possible with God. I want to explore more what that means. I'm a still skeptical, but I am open. I am listening.

3. TRUSTING

I've heard the testimony of others that God's Word is true. I'm learning to receive God's Word and ask Him to grow it in me. I've never seen the evidence of it work in my life, but I am going to give it a try. I hope His Word is true.

4. PATIENT

I've never waited like this before but I am experiencing some calm, and that is new for me. I am still a little skeptical, but also hopeful. I have a sense something good is happening even though I can't see it.

7. THANKFUL

He did it. He grew belief and faith in me. He held me up and sustained me. He answered my prayer. He came through the exact way He desired to. His Word is true and active. I have tasted and seen and know He will do it again and again. God is good.

8. SATISFIED

I am learning that He is my portion and that He wants to satisfy me with good things... namely Himself. I am learning to come to the fountain often and drink. I receive more and more of His Word because it is life. I'm letting go more and more of self-reliance.

9. DELIGHT

God is more than a solution to problems and pain. God is my Father and He delights in me. I am learning to delight in Him. I'm learning to love Him and let Him love me. My nature is changing into love. I'm looking more like Jesus and His love. I think He was always after my transformation.
